

The MacDonnell Suite

📍 TWO MACDONNELL ROAD

Photos are for reference only

Situated on our highest guest floor, 32 floors up, the two-bedroom MacDonnell Suite reveals Hong Kong's breathtaking skyline with captivating views over the city and botanical gardens.

Guests will rediscover life as it should be with the best of central urban living set amidst the lush, winding avenues of the tranquil Central Mid-levels district. Whether you are heading for a morning run in verdant Hong Kong Park, dabbling in Lan Kwai Fong's famous nightlife or mingling with loved ones and new friends at our popular café bar on 8, you will always find yourself drawn back to Two MacDonnell Road, your home-away-from-home. The suite's stunning two-bedroom residence offers 1,900 square feet of elevated elegance, a spacious en-suite with bathtub and separate shower and a large living area with uninterrupted skyline views.
